It shows how tribal conflict was central to the arrival of Roman power in Britain and how tribal identities persisted through the Roman period and were a factor in three great convulsions that struck Britain during the Roman centuries.

The post-conquest Romans used Britannia or Britannia Magna (Large Britain) for Britain and Hibernia or Britannia Parva (Small Britain) for Ireland. The post-Roman era saw Brythonic kingdoms established in all areas of Britain except the Scottish Highlands , but coming under increasing attacks from Picts , Scotti and Anglo-Saxons .
