Girl Love Happens is the prequel novella to the G & T series. If you like lesbian coming-of-age tales, colorful depictions of campus life, and compelling characters, then you'll love T.B. Markinson's heartfelt

and humorous tale.

T.B. Markinson's *Girl Love Happens Season Two* lives up to *Girl Love Happens Season One*. This book picks up where *Season One*

**Girl Love Happens Series
Prequel To G T Lesbian
Romance** An American girl
finds her prince in this "fun
and dishy" (People) royal
romance inspired by Prince
William and Kate

Middleton. American Bex Porter was never one for fairy tales. Her twin sister Lacey was always the romantic, the one who daydreamed of being a princess.

This prequel to the ‘Girl Love Happens’ series is a

wonderful introduction to how Tegan and Gemma met and to their college friends. Gemma isn't out and is reluctant to open up to her friends and especially to Tegan.
