bluetooth 36V-112lb-60inch. A new Lift-Assist Mechanism on the redesigned Riptide Terrova carries the weight of the motor for to make stowing easier. Updated Riptide Terrova has a completely new motor design engineered to run quieter than ever before. The CoPilot wireless remote comes standard on Riptide Terrova to give push ...

02940204695. Be prepared for the take with the Minn Kota Terrova i-Pilot® Link MDI Trolling Motor. This bow-mount trolling motor is packed with fishing technologies. The i-Pilot® Link Integrated GPS System allows you to set spot-locks, record paths, follow depth contours, and more from your Humminbird fish finder or the i-Pilot® remote.

5. Unprotected Shaft. Most Minn Kota trolling motors, including the Terrova, Ultrerra, and Ultrex, have no break-away mount that would protect the shaft in case of hard impact. That is unfortunate, and most likely due to the design of the electric-steer mechanism, because the cable-steer Fortrex and Maxxum both have break-away mounts.

i-Pilot Link Remote-Bluetooth. \$999.00. The i-Pilot Link GPS system can be paired with multiple wireless remotes. Add extra remotes to your setup for added flexibility. The remote's customizable, touchscreen display shows your current function, user menus, GPS signal strength, prop status and battery state. Powered by a rechargeable battery ...
