Jan 07, 2013 · That's typical of a lot of OSS, you don't get great documentation or the documentation costs money. Not that it's bad, I mean writing documentation takes a lot of time, and most people writing free software (free as in freedom, not as in free beer) don't have time to waste on documentation.

May 01, 2012 · Since OpenProj features are a bit lengthy, we present the general aspects for creating a project in this manual is expected to improve through user feedback. The images presented in this manual are taken from two projects, one of which is developed by the authors called "Creating a science club" (taken in its fundamentals from the Internet) and ...
