Mar 14, 2015 · In The Betta Bible, Dr Martin Brammah combines the collective knowledge of some of the world's most well-respected betta enthusiasts with his own hands-on experience of keeping and breeding bettas, in order to put all of that information within your grasp.

According to his book, you can "happily" keep

a betta fish in a wine glass for many years, and that if anybody tells you any different, they are an animal rights extremist. If that is the case, then every single author of every single book I've ever read about bettas, and the overwhelming majority of people who post on betta fish forums, must ...

May 29, 2012 · Betta fish breeding. Bettas are easy to breed and have very interesting breeding behaviour. The male fish will build a bubble nest at the surface of the water, and will entice the female to breed underneath it. He guards his nests and returns any hatchlings that fall out of it until the fry are ready to swim independently.
