Since the days of Adam Smith, economists have grappled with a series of familiar problems - but often their ideas are hard to digest, even before we try to apply them to today's issues. Linda Yueh is renowned for her combination of erudition, as an accomplished economist herself, and accessibility, as a leading writer and broadcaster in this field.

May 22, 2021 · The book presents a selection of 12 illustrious economists, from the modern era to contemporary times. Linda Yueh introduces the reader to the ideas, times and life of those economists, but also speculates how one such economist would answer to the hot questions of today, from his/her perspective. The Great Economists includes: Adam Smith.
